

Questionnaire about your motivation to receive a PROMOS scholarship

1. Your academic motivation taking into account your future/career aspirations.

What added value does your study abroad project represent with regard to your further studies/professional life? What goals are you pursuing? How does your project relate to your current studies? (max. 800 characters/ Arial 12)

2. Your personal motivation

What added value does your project abroad represent in terms of your personal development? Refer to your personal career, possible challenges, qualifications, interests and skills. (max. 800 characters)

3. Scholarship

Why are you applying for a DAAD and specifically a PROMOS scholarship? What do you hope to achieve through this kind of financial support? (max. 800 characters)

4. Culture&Language

In what way did you acquire knowledge of the working language (foreign language classes at school, previous stays abroad, etc.)? What expectations do you have of your chosen host country? What intercultural added value do you see in your project? (max. 800 characters)
